

Template and Report Schedule

- This is the SDT report template.
 - Please use when generating all slides to minimize the amount of work to integrate multiple slide packages together.
- Development schedule
 - Initial slides due tomorrow. Package will be sent out to the full SDT ASAP after all inputs received.
 - Comments due by April 8th. Update will be sent out to the full SDT ASAP after all inputs received.
 - Next comments due on April 15th. Update will be worked with a subset of the SDT (Gehrels, Spergel, Gaudi, Weinberg, Kasdin - others welcome to join)
 - Next comments due on April 22nd. Update will be sent out to the full SDT ASAP after all inputs received.
 - Final comments due on April 29th with report submitted to NASA HQ on April 30th.
